

## DISAGREEABLE MINISTERS

### Response to a religious DISAGREEABLE Minister

Dear religious leader, I have to ask you, "Do you believe the Bible is God's message to us? Most of us have believed what we have been taught by people. Can you answer questions such as, "what time period are the last 8 chapters of Ezek. yet to be fulfilled in? Or, what will happen to all peoples from beginning of history to the last two chapters of Revelation? Who are "the rest of the dead" of Rev. 20?. Do you, after studying the Bible actually think these things can possibly be fulfilled in this our (3rd) age, prior to the millennium? Have you read about the total destruction of mankind, how only a few people will live to start another generation, at the end of this age, and who they are? (in Rev. 14:12-20 Can you explain the two harvests of end time history of our age). What age period would you put the 1000 yr. period of time in when Satan is bound, and what happens to a world full of people, at the end of the 1000 yrs when Satan is released? Have you bothered to ask these questions and search the Bible until you find the answers? It requires much searching, and if you will take the time to go to our web site "[www.foust.info](http://www.foust.info)" and do some reading and searching with us, you will find answers, too. We all Israelites (not just Judah, Jews) are spiritually blinded because we have chose to disbelieve God's word. Most of us have chosen to take man's word, instead of God's. It is so much easier to take other people's word than God's, because if we don't we will have to change, think differently than the majority of Christianity teaches. We do not like to be different, that makes us uncomfortable. People may not like us. Besides it is hard work and too time consuming. It is much easier to accept the teaching that the Bible is not meant to be understood. Remember, the majority of people didn't agree with Jesus, nor did they like the apostles. They surely did not like Paul, most people still don't. So, what we have to do in order to make it into God's kingdom, is to choose life, not death, struggle to be chosen and not just called. The only way we can do that is to search the scriptures and get to know God, our Father, and Jesus Christ, our older brother, then obey their instructions. Not everybody is called, and not very many will be chosen (to have eternal life in God's kingdom). Why? Because they do not choose to know the right "straight and narrow", way. Why is it we always want to hear and talk about how wonderful our world is, our religions, our beliefs, and ignore reality? Our age will be gathered as bundles of wheat, one for storage (martyrdom), one for destruction. The book of revelation (to chapter 19) is a letter from Jesus Christ to "reveal" the future, and end, of our age, leading up to the next (4th) age, beyond. From chapters 19 - 22 gives us a glimpse of a far future, and also includes parts of many prophecies from the Old Testament that fills in many more details about our future. Many of these topics are written in studies at "[www.foust.info](http://www.foust.info)" along with scripture verses as back up. You will never find any request for money. We have nothing to sell. We are averaging 25 plus hits (visits) every single day, from all over the world, for about four years. Every one is more than welcome to visit at any time. We are commanded to love God, each other, and even our enemies. We welcome anyone who wants to discuss their questions or answers, with scriptures as backup. Thank you for your response. God's love to you and yours.
