

INTRODUCTION TO THIS WEB PAGE -- WELCOME TO ANY AND ALL.

This web page is the result of over 45 years of study in the Bible, and ten years of writing about those studies. First I want to thank our friend, Glenn Seiders and his beautiful wife Susan, for making this dream come true. Without their help, unless God worked another miracle, we would never have had this web page. I say "we" because my loving husband has always encouraged and helped in whatever I have, in my limited efforts, struggled to accomplish.

I want to make clear that I am not sharing these studies to generate money, nor for popularity, or to build a following. By sharing these studies I hope to stir your interest in God's love. I wish I could share the love with my readers that I have been shown, from a loving heavenly Father, loving husband, a loving family and loving friends.

May God Bless one and all, Rhoda
